

A Department of the Board of Supervisors

Education Toolkit for First Time Voters

Ways to Vote

Congratulations! You are a first time voter. This handout provides some helpful tools to get you started.

Vote in Person

Voters may choose to vote in person at any of our voting locations. Hours vary during early voting, but are open from 6 a.m. to 7 p.m. on Election Day. According to Arizona State Law A.R.S 16-579, ID is required to vote in person. We have accessible voting devices and curbside voting available for voters requiring additional assistance. Find a site at [Locations.Maricopa.Vote](https://www.maricopa.gov/locations).

Vote by Mail

Sign up for the Active Early Voting List and we will mail you a ballot to your registration address for every election you are eligible to vote in. Return it by mail or at a drop box. We also have ballots in Spanish, braille, and in large print formats. Visit [Request.Maricopa.Vote](https://www.maricopa.gov/request) to make your ballot requests.

Accessible Voting Option

If you need assistance due to a confining illness or disability and are unable to vote at a voting location, you may request a Special Election Board (SEB) to provide voting assistance. Please email SEB@risc.maricopa.gov or call 602-506-1511.

Important Websites

JustTheFacts.Vote

Learn more about how Maricopa County administers elections and get the facts about some election myths.

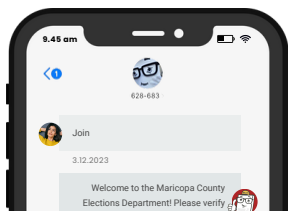

BeBallotReady.Vote

On their personalized dashboard, voters can find their sample ballot, track their ballot, search for voting locations and much more.

Results.Maricopa.Vote

Results for each election will be posted beginning at 8 p.m. on election night and continue until all ballots are counted.

Track Your Ballot

If you live in Maricopa County, sign-in to your account dashboard to get personalized ballot information. Find out if you're registered, track your ballot and more! Voters can track their ballot by texting "Join" to 628-683 or by visiting [BeBallotReady.Vote](https://www.maricopa.gov/beballotready).
