  - Signatures collected prior to registration are subject to review and challenge.

*See Voter Registration Information on page 29 for a list of qualifications to register to vote.*
Effective August 27, 2019, candidates are now required to file a Statement of Interest prior to gathering signatures. Candidates who gathered signatures prior to August 27, 2019, must file the “Statement of Interest” with the Maricopa County Elections Department by January 2, 2020 for the signatures to be valid.

All of the following filed documents must be the original documents. Copies will not be accepted.

☐ 1. Nomination Paper/ Declaration of Qualification

The form must include the candidate’s actual residence address, name of the district for the office sought, and the manner in which the candidate wishes his/her name to appear on the ballot. The candidate’s name will appear on the ballot as such: **LAST NAME, FIRST NAME** (printed in **ALL CAPS.**)

Nicknames are acceptable as long as they do not suggest a professional, fraternal, religious, or military title.

Examples: SMITH, JOHN J.  or  SMITH, JOHN “J.J.”  or  SMITH, J.J.

**NOTE:** Except in the case where liability is being appealed, if a person is liable for an aggregation of $1,000 or more in fines, penalties, late fees or administrative or civil judgments, including any interest or costs, in any combination, that have not been fully satisfied, the filing officer shall not accept the nomination paper.

☐ 2. Petition Signatures

*(The minimum number of required signatures varies by district and party, where applicable.)*

The petition form must be printed on letter size paper (8 1/2 x 11). The candidate must file at least the minimum number of signatures required for the office sought and not more than the maximum number allowed (where applicable). If there are too few signatures, nominating papers/petitions cannot be accepted. A temporary receipt containing the number of pages and signatures filed is provided at the time of acceptance. Supplemental signatures may be filed up until the closing of the filing period. The signature count on the temporary receipt is a face value and is subject to challenge of petition validity.

☐ 3. Personal Financial Disclosure Statement – County Specific Form

*(This form only applies to Primary & A.R.S. § 16-341 Candidates.)*

This form covers the previous 12 months from the date of filing. MCED cannot offer assistance for the completion of the Personal Financial Disclosure Statement. Please refer to the instruction booklet provided by the AZ Secretary of State:

Within 5 days after the filing deadline, a sample ballot proof will be mailed to each candidate whose nomination paperwork was filed. The mailing is sent to verify that the name as it appears on the proof is spelled correctly. This is a sample of how the candidates name would appear on the official ballot.*

If the name on the proof is CORRECT, no action is required.

If the name on the proof is NOT CORRECT, contact MCED immediately by phone, (602) 372-2262, or by email to holquin@risc.maricopa.gov.

- Corrections are only made if notification is received by the date indicated on the proof.
- Changes cannot be made to the original information provided at the time of filing. Samples are based upon nomination paper submitted by the candidate.

*Nomination Filings are subject to challenge. This proof does not guarantee placement on the ballot.

**Challenge Complaint Forms:**

**NOTE:** Complaints must set forth in the action: “the petition number, line number and basis for the challenge for each signature being challenged. Failure to specify this information shall result in the dismissal of the court action.” (A.R.S. § 16-351(A))

**Challenge Cost / Reimbursement:**
The filing fee for election contest complaints is set by the Clerk of the Superior Court, http://clerkofcourt.maricopa.gov/CVFeeSchedule050918.pdf.

**Candidate Challenge Process Flowchart**

Polling Place Conduct - Electioneering

There are numerous state and local laws that govern your conduct at the polling place on Election Day. We ask that all candidates and all candidates’ volunteers abide by those rules and conduct themselves at the polling places legally, safely, and appropriately. Violations of such laws are enforced by our election boards, troubleshooters, sheriff deputies, and local police agencies. The following sections of this manual touch on some of the most common rules which must be followed in order to ensure voter courtesy, safety, compliance with the law, and to protect important property and business interests of polling place owners.

Persons present in the polling place on Election Day are subject to the directions and statutory responsibilities of the election officers. The election officers are charged with securing the ballots and voting process; preserving order at the polls (A.R.S. § 16-535); permitting no violation of election laws (A.R.S. § 16-535), prohibiting any ability to ascertain an elector’s vote (A.R.S. § 16-1007) – including videotaping in whole or in part of ballots or voting sites; securing the ballots and election materials (A.R.S. § 16-602 et seq.); restricting access to certain portions of the polling place (e.g., A.R.S. § 16-562 and 16-515); not releasing or divulging the results of any ballot counting until one hour after the close of the polls (A.R.S. § 16-551.C); ensuring that no deadly weapons are carried into the polling place (A.R.S. § 13-3102.11); ensuring that there is no intimidation of any elector (A.R.S. § 16-1013); ensuring that there is no interference with respect to voting (A.R.S. §16-1017); and that there is no interference in any manner with an officer of the election in the discharge of their duty (A.R.S. § 16-1004).

Courtesies
ALL voters, candidates, workers, polling place property owners, and the public deserve your courtesy and respect.

Electioneering Capability – 75-Foot Limit
Except in the case of an emergency, any facility that is used as a polling location on Election Day shall allow persons to electioneer and engage in other political activity outside of the 75-foot limit in public areas and parking lots used by voters. (A.R.S. §§ 16-411 and 16-515)

Online listing of facilities which do not allow electioneering: www.locations.maricopa.vote.
Inside the 75-Foot Limit
At each polling place, signs will be posted to mark the 75-foot limit. While the polls are open, a person shall not be allowed to remain inside the 75-foot limit boundary except for/that:

• Voters for the purpose of voting.
• A minor accompanying a voter into a polling place.
• The voter may be accompanied and assisted by a person of the voter’s own choice, except for a person who is a candidate in that election.
• Election officials.
• One representative of each political party represented on the ballot who has been appointed by the county chairman of that political party.
• Challengers allowed by law.

Voters having cast their ballots shall promptly move outside the 75-foot limit.

NO ELECTIONEERING WITHIN THE 75-FOOT LIMIT

Electioneering occurs when an individual knowingly, intentionally, by verbal expression, and in order to induce or compel another person to vote in a particular manner or to refrain from voting express support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election.

• A voter may carry anything he or she chooses to bring.
• A voter may wear any type clothing with any slogan or candidate.
• A voter may not verbally campaign for the purpose of inducing someone to vote or to refrain from voting for a candidate or ballot measure.

Photography
A person may not take photographs or videos while within the seventy-five-foot limit. Any person violating this section is guilty of a class 2 misdemeanor. A voter who makes available an image of their own ballot by posting on the internet or in some other electronic medium is deemed to have consented to re-transmittal of that image and that does not constitute a violation.

Outside the 75-Foot Limit
Anyone can stand outside the 75-foot line and hand out materials or hold signs. As for posting signs outside the 75-foot limit, a person who wishes to post a sign on private property shall seek permission from the property owner. There are a few polling places that do not allow electioneering outside the 75-foot limit.
Polling Place Conduct – Electioneering (continued)

Keeping Traffic and Walkways Clear
The parking area, sidewalk or traffic area used by voters (whether on foot or in their vehicles), as well as in areas which may be used by voters with a disability for drive-up voting, the parking area, sidewalk, or traffic area **MUST BE KEPT CLEAR**. These rights of way or traffic areas, whether or not they are in the 75-foot limit, may not be encroached upon with signs, vehicles, tables, chairs, or supporters.

Polling Place Abuse
The owners of the facilities used as polling places have private property rights as well as liabilities for actions taken on their property. The County does not lease the entire premises for voting purposes and most of the facilities have normal business activities occurring on Election Day. An increasing number of facilities have expressed concern with Election Day abuse to their property, unauthorized borrowing of furniture or use of resources, interference with their customers or patrons, and concern with damage resulting from signs placed on the premises. Please note that you may need to seek permission from the private property owner for activities you wish to conduct on private property, and an owner may ask that unauthorized persons, structures, or signs be removed from private property. We have advised polling place owners that the County does not have the power to enforce private property rights. After receiving a warning that conduct or presence is not permitted by the property owner, deputies or local police may be called upon by the owner to enforce the property owner’s rights.

Sign placement and tampering
Many owners of the facilities used as polling places have specific preferences about Election Day signage. Some facilities have designated specific areas they have approved for sign placement; others prohibit signs anywhere on the premises. Do not place signs at a polling place without first checking with the property owner or manager. Unauthorized signs on private property may be removed and confiscated. State and many local laws also govern placement of signs on public and private property as well as removal, alteration, or defacing of political signs. Check with your local jurisdictions before placing signs.
Election Results

Preliminary election results are available online after 8:00 PM on election night. [http://results.maricopa.vote](http://results.maricopa.vote)

Write-in results are tallied by citizen boards. These results are tallied and reported separately. Results reports will be posted online upon the completion of the tally.

The final election results are presented to the Maricopa County Board of Supervisors (BOS) no later than 10 days after the election and are provided to the Secretary of State no later than the 2nd Monday after the election. The Secretary of State is responsible for creating the Final Official Canvass.
