These 26 Justice Precincts were approved by the Maricopa County Board of Supervisors in 2012 and used for election purposes between 2012 and today. For clarity, in the Spring of 2018, there were new Voting Precincts, but there were not new Justice Precincts. The City and Town boundaries are the boundaries that are in effect in 2021.

Justice Precinct Boundaries (2012-Today)
Metropolitan Maricopa County, Arizona
